The **Montgomery-Floyd Regional Library Strategic Plan 2019-2025** provides a unified vision and path to success as we strive to serve Montgomery and Floyd county residents over the next five years and beyond. It contains objectives that will be assessed annually and reported in annual updates.

This Strategic Plan is a result of a 9-month process led by the Planning Committee, comprised of the library system's management. Using *Planning for Library Excellence: Standards for Virginia Public Libraries* (Library of Virginia, 2009) and *Strategic Planning for Results* (Public Library Association, 2008) as roadmaps, the committee engaged in discovery and analysis of the current state of the library, including reviews of the library's mission, vision and goals; current organization, capacity, and services provided; and a demographic review of the service area. The committee analyzed our current strengths and weaknesses, opportunities for improvement, and external and structural factors that may threaten current and future operations.

We incorporated the information learned in the November 2016 *Library Space Needs and Facility Feasibility Study* delivered to MFRL by Thompson & Litton and Enteros Design. This study detailed feedback from public meetings and over 400 user surveys. The committee also conducted one-on-one discussions with over 50 community members including elected officials, trustees, and representatives of partnering organizations. Using this community data, the committee developed updated mission and vision statements, and overall goals. The result of the Strategic Planning process establishes a framework for developing annual objectives in a structured yet flexible manner to ensure that MFRL will continue to provide excellent service and value while contributing to growth of Montgomery and Floyd Counties.

Approved by MFRL Board of Trustees: September 18, 2019; extended October 18, 2023.

Vision: People building skills and knowledge that enhance their lives, in a region prepared to prosper.

Mission: To inform, inspire, empower, and connect the people we serve.
