

Mission Statement:

Montgomery-Floyd Regional Library seeks to strengthen our community by providing individuals with access to a full range of information, experiences and ideas.

Message from the Library Director:

What a wonderful time to live in Floyd! On June 12, 2008 we dedicated the beautiful expansion and renovation of the Jessie Peterman Library. Once a small, cramped building of 5,000 square feet, it is now twice that size and full of light and space. We are extremely grateful to all who contributed to the building fund and to those dedicated individuals who spearheaded the effort. Our thanks to Susan Icove, Marybeth Lanier, Pamela Cadmus, Olin Griffin and Bill Gardner for all they did to make this building possible. Visit the Jessie Peterman Library soon and be prepared to be amazed! The staff is anxious to show you around.

Congratulations to the *Natural Health Care* series at the Blacksburg Library. This program won "Best Adult Program" from the Virginia Library Director's Association in April 2008. It has been a year of great programs and we are working on more for next year.

We want to know if we are meeting your needs so please share your suggestions and comments with us. We are proud to be your one-stop location for all your informational and entertainment needs. Stop in to see us and keep on reading.
